

## Departmental Short-Term and Long-Term Strategic Issues

Department: General Services - Garage

FY2007

---

**Short-Term Issues:** List critical issues facing the department now and through the next couple fiscal years.

- Address current overcrowding of facility while maintaining high customer service and cost effective repairs to County vehicles.
- Implement Wright Express pilot project.

**Long-Term Issues:** List major issues or trends that may confront the department beyond the next couple fiscal years.

- Construct new facility to serve the County and the Water Authority.
